Section 1.2: The Employer agrees not to maintain or argue that employees in bargaining unit classifications listed in this Article are supervisors as defined by the National Labor Relations Act or for the purposes of collective bargaining.

Section 1.3 Definitions of Employee Status:

- (a) Full-time Employee. A regular full-time employee is a permanent employee who normally works seventy (70) hours per two (2) week pay period.
- (b) Benefit Eligible Regular Part-Time Employees. A benefit eligible regular part-time employee is an employee whose schedule of work usually consists of budgeted hours of at least forty (40) hours but less than seventy (70) hours during the two (2) week pay period.
- (c) Non-Benefit Eligible Regular Part-Time Employees. A non-benefit eligible regular part-time employee is an employee whose schedule of work usually consists of budgeted hours of less than forty (40) hours, but more than thirty-one (31) hours during the two (2) week pay period.
- (d) Temporary Relief Employee. A temporary relief employee is an employee whose schedule of work is not on a regular or continuous basis, but one who works on an intermittent basis. Temporary Relief employees include but are not limited to per diem employees and agency employees. These employees are excluded from the bargaining unit and are not covered by the terms of this Agreement.

Article 2: REPRESENTATION

Section 2.1 Stewards:

The Employer agrees to recognize eighteen (18) current employees in this bargaining unit selected or elected by the Union as stewards to function in a representative capacity for the purpose of processing grievances under the grievance procedure as established in this Agreement.

Section 2.2 Alternates: The Union shall have the right to elect or select alternates who shall serve only in the absence or work-related unavailability of the officially recognized representatives.

Section 2.3 Notice: The Union agrees to advise the Employer in writing of the names of its stewards and alternates before recognition of their representative capacity begins. The Union will provide the Medical Center with a minimum of two (2) weeks notice before expecting the regularly scheduled release of the Chief Steward. The Medical Center will work with the Union to allow release time for the Chief Steward during this notice period.

Section 2.4 Reporting: When it is necessary for a recognized union steward to leave the work station to handle a grievance in accordance with the grievance procedure, such steward shall request permission to leave the job from the supervisor. If it is not convenient for the steward to be relieved of her/his job duties, upon request, (s)he shall be excused as soon as the supervisor has made proper arrangements. Once released, the steward shall return to the job as promptly as possible and, upon return, shall report to the supervisor in charge. If it is necessary for the steward to enter another area where there is a different supervisor for the performance of his proper functions in accordance with the grievance procedure established in this Agreement, the steward shall immediately notify the supervisor in that area and state the reason for being in that area. In order to enable the Employer to organize patient service and work on each shift, no union steward shall be permitted to leave work during the first hour of each shift for grievance purposes, except in situations of employee discharge occurring within that time period.

Section 2.5 Chief Steward:

- (a) The Union shall designate one (1) steward as the chief steward. The chief steward shall:
 - 1. Receive a copy of disciplinary verbal warnings, as received by Human Resources, written warnings, and suspensions and terminations;

2. Receive the Union copy of work rules electronically or hard copy, as determined by the Employer;
3. Participate in the Step 2 grievance meetings; and
4. Serve as the Union representative in other capacities if mutually agreed upon by the Union and the Employer.

(b) Chief Steward Leave of Absence

1. The Chief Steward shall receive paid release time as a full time position up to eighty (80) hours per pay period. This time will be used for MGL POST contract administration, investigating and processing grievances. Except that an employee appointed Chief Steward will not have their budgeted hours increased based on such appointment. Hours worked in this capacity do not count towards the calculation of overtime. The Chief Steward shall be fully entitled to all rights under this agreement.
2. The Chief Steward must maintain all required competencies of the classification he/she held immediately prior to leave. Maintaining required competencies may require the Chief Steward to work in his/her classification. The Employer may count up to two (2) shifts per pay period toward the release time indicated above.
3. Upon his/her appointment as Chief Steward or when the Chief Steward returns from this leave the union will provide the Employer with two (2) weeks notice. The Chief Steward will be placed in the classification she/he held at the beginning of the leave at the same hours per pay period and shift.

Section 2.6 Bargaining Committee: For this sole purpose of negotiating any modification to this Agreement at the end of the term of this Agreement, the Employer agrees to recognize a bargaining committee composed of seven (7) employees, one of whom shall be the chief steward. Each of the bargaining committee members will be from different departments as defined under the Layoff Article in this Agreement, at the time of the election. Non-employee representatives may be present as desired. Bargaining committee members shall be compensated at their regular hourly rate for all hours spent in bargaining sessions where they would normally be on scheduled work time. For employees who are regularly scheduled for weekends only, second or third shifts, employees without regular schedules, and part-time employees, every attempt will be made to change schedules to include hours scheduled for bargaining. If an employee is not so scheduled, the Union reserves the right to cancel the meeting.

Section 2.7 Hospital Access: The Employer recognizes the Union Representatives, including Stewards and Chief Stewards, right to have reasonable access to its members. Union Representatives shall notify a member of management in the unit/department in which the representative is visiting. The Union understands and agrees that it will not adversely affect work flow or patient care. For purposes of this Article, a Union Representative is considered both non-employee representatives and employee stewards.

Section 2.8 Information Requests: The Employer shall respond to relevant and necessary requests for information needed to process a grievance, from the Union within ten (10) working days, unless the request would be overly burdensome to produce. The Employer may request one ten (10) calendar day extension when the request requires unusual time to fulfill.

Section 2.9 New Employee Orientation: A Union Representative shall be allowed to present to new Union employees after basic new employee orientation.

Section 2.10 Duplication of the Agreement: The Employer shall furnish all members of the bargaining unit with a hard copy of the Collective Bargaining Agreement. Newly hired bargaining unit employees shall receive a hard copy of the Collective Bargaining Agreement with their new hire information.

Section 2.11 Union Meetings on Site: The Employer shall permit the Union to hold meetings on the Employer's premises consistent with Employer determined room scheduling procedures. If payment for attendance is not otherwise provided for in this agreement, employees may be allowed to attend on non-work time or by using PTO subject to the PTO Article of this Agreement. The Employer shall not unreasonably deny an employee's request to use PTO to attend a Union meeting.

Section 2.12 Bulletin Board: The Employer will provide a bulletin board on each campus for use by the Union for posting notices as follows:

- (a) Union recreational and social affairs;
- (b) Union elections;

- (c) Union appointments and results of Union elections;
- (d) Union meetings;
- (e) Bona fide Union-related information such as: cooperatives, credit unions, pensions and annuities, unemployment compensation, workers' compensation, etc.
- (f) Negotiation updates.

In addition, official Union notices may be posted on each unit bulletin board.

Section 2.13 Bargaining Unit Employee Evaluations: The evaluation of employees is the sole responsibility of the Employer. An employee evaluation shall be placed in the employee's personnel file. An employee shall be given the opportunity to read the evaluation and shall sign it to signify that (s)he has read it. An employee will be offered a copy of the evaluation. An employee may file a statement of not more than three (3) pages covering any points of disagreement.

Section 2.14 Labor-Management Committee: Meetings will be held quarterly between the Service Representative(s) of OPEIU, Local 459, the Chief Steward, VPHR of MGL, or designee and/or both, Regional Director of Labor Relations, Employee Relations Consultants with others invited by mutual agreement.

The Union and the Employer agree that important matters pertaining to both parties' interest may be discussed at the request of either party and with the agreement of both parties. The purpose of these meetings is to improve employee morale and listen to issues important to each party. The Union will provide a list of issues prior to the meeting. These meetings may not be used to continue negotiations or to modify the Collective Bargaining Agreement.

Section 2.15 Special Conferences: Special conferences may be held to clarify items in the Collective Bargaining Agreement. Special conferences may not be used to continue negotiations or to modify the Collective Bargaining Agreement.

Article 3: MANAGEMENT RIGHTS

Section 3.1 Management's Reserved Rights:

- (a) Except as expressly limited by the terms of this Agreement, the Employer retains and shall have the sole and exclusive right to manage and operate the Medical Center in all of its operations and activities. Among the rights of management, included only by way of illustration and not by way of limitation, is the right to determine all matters pertaining to the services to be furnished and the methods, procedure, means, equipment and machines required to provide such service; to determine the nature and number of facilities and departments to be operated and their location; to establish classification of work and the number of personnel required, to direct and control operations; to discontinue, combine or reorganize any part or all of its operations; to maintain order and efficiency; to make judgments as to the ability and skill of its employees; to continue and maintain its operations as in the past; to study and use improved methods and equipment; use outside assistance or engage independent contractors to perform any of the Employer's operations or phases thereof (subcontracting); and in all respects to carry out the ordinary and customary functions of management. All such rights are vested exclusively in the Employer and shall not be subject to arbitration procedure established in this Agreement.
- (b) The Employer shall also have the right to hire, promote, assign, transfer, suspend, discipline, discharge for just cause, layoff and recall personnel; to establish reasonable work rules; to determine work loads; to establish and change work schedules; to provide and assign relief personnel; provided, however, that these rights shall not be exercised in violation of any specific provision of this Agreement and as such, they shall be subject to the Grievance and Arbitration Procedure established herein.
- (c) The Union hereby agrees that the Employer retains the sole and exclusive right to establish and administer without limitation, implied or otherwise, all matters not specifically and expressly limited by this Agreement.

Article 4: UNION SECURITY AND CHECKOFF

Section 4.1 Payroll Deduction for Union Dues:

- (a) The hospital agrees to deduct from the salaries of all employees covered by this agreement initiation fees and dues for the Office & Professional Employees International Union, Local 459, AFL-CIO and CLC.

- (b) Commencing the first full month after completion of the probationary period, an initiation fee and Union dues shall be deducted from the employee's earnings. The initiation fee owed, if any, shall be deducted from the first paycheck of the month and dues shall be split between the twenty-six paychecks during the year.
- (c) The Union shall, thirty (30) days in advance of the start of each Hospital Fiscal Year, give written notification to the Human Resources Department of the amounts of initiation fees and monthly dues for the Union. The amount of deductions for these dues shall not be subject to change during the entire Hospital Fiscal Year except upon the Union providing the Human Resources Department with thirty (30) days notice of such change. It is understood that the Hospital can reasonably accomplish such change twice in any one (1) fiscal year. Additional changes beyond said two (2) are subject to mutual agreement.
- (d) All fees and dues so deducted from the wages of bargaining unit employees shall be sent to the Union Secretary-Treasurer. Dues shall be remitted monthly with the Employer sending a hard copy of dues information to the Union office and by transmitting the dues information electronically or digitally. In the event the Employer is prevented from transmitting the dues information electronically, the Employer will notify the Union of the reason for the failure to transmit. When the Employer is able, it will transmit any dues information that was missed electronically or digitally.
- (e) The Union shall refund to the employee dues erroneously deducted by the Employer and paid to the Union.
- (f) Dues Deduction: For purposes of dues deduction only, the definition of full time under Article 1 Recognition shall be considered full-time.
- (g) The Union agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, judgments, and any other forms of liability arising due to an employee's due deduction pursuant to this provision of the Agreement or due to the Union's pursuit of legal remedies as provided herein.

Article 5: GRIEVANCE AND ARBITRATION PROCEDURE

Section 5.1 Definition of a Grievance: For the purposes of this Agreement, a grievance shall be defined as a complaint or dispute by an employee or employees covered by this Agreement arising during the term of this Agreement concerning the application and/or interpretation of a specific provision or provisions of this Agreement as written.

Section 5.2 Review Procedure: All complaints and grievances shall be processed in the following manner:

Step 1 Informal Discussion: When an employee and his/her immediate supervisor/manager have a dispute regarding the application and/or interpretation of the Agreement, both are encouraged to resolve it through discussion, with or without the employee's steward present (at the employee's option). Any satisfactory resolution must be in compliance with this Agreement and with current policies. Resolutions achieved at Step 1 are considered non-precedent setting. The supervisor/manager shall respond to the employee within five (5) working days after the initial meeting with the employee.

An employee may proceed to the Step 2 Grievance process and reduce the complaint to writing if (1) a satisfactory resolution is not achieved at the Step 1 level, (2) the employee chooses to go directly to Step 2, or (3) the supervisor / manager does not comply with the Step 1 timelines.

Step 2 Formal Grievance Procedure: Within fifteen (15) working days of receipt of the supervisor/managers response to Step 1, the employee shall state her/his complaint in writing submitting the grievance to the Employee Relations Consultant or designee in charge. Employee Relations along with the Department Head/Director or designee shall meet with the Grievant and Steward/Chief Steward or designee within five (5) working days of receipt of the grievance and respond to the grievance within ten (10) working days after the meeting. The Union will initiate the scheduling of all Step 2 Formal Grievance meetings with the Employee Relations Consultant or designee within the Step 2 timeframe.

Section 5.3 Policy and Discharge Grievances: If the grievance concerns a group of employees, the bargaining unit as a whole, or the discharge of an employee, the Union may file a grievance in writing as outlined in Step 2, with the Employee Relations Consultant or designee within fifteen (15) working days after reasonable discovery of the events which gave rise to the grievance. Grievances filed under this Article shall then be processed in accordance with Step 2.

Section 5.4 Notice of Arbitration: If the grievance is not satisfactorily resolved in Step 2, and if the Union is not explicitly barred from arbitrating the grievance by provisions of this Agreement, the Union may request arbitration by notifying the Employer in writing within thirty (30) calendar days of receipt of the Employer's answer in Step 2.

Section 5.5 Prearbitration Meeting: Prior to the actual Arbitration hearing, the Union may submit unresolved grievances to the Vice President of Human Resources or Human Resources Manager and the division Vice President or designee. The parties shall meet to discuss the grievances submitted. The intent of the submission will be to make additional attempts to resolve the grievance.

Section 5.6 Selection of Arbitrator: If a timely request for arbitration is filed with the Employer, and if the Union is not explicitly barred from arbitrating the grievance by provisions of this Agreement the following process will be used to select an arbitrator.

The arbitrator will be selected from the following panel of arbitrators:

Mario Chiesa
Patrick McDonald
Anne Patton
Joseph Girolamo
David Grissom
Kathleen Opperwall

The selection of the arbitrator shall be on a rotating basis, starting with the first listed arbitrator, as each case is presented for arbitration. In the instance that multiple cases are presented at the same time for arbitration, priority will be given to any discharge grievance, and then to the date the grievance was submitted to Step 2.

If an arbitrator does not have any dates available within 6 months of the date the union contacts the arbitrator to schedule the hearing, the arbitrator will be skipped on the list and be the first choice for the next arbitration scheduled.

Once an arbitrator has been "selected", then the arbitrator will go to the bottom of the list, regardless if the grievance is settled and/or resolved at the hearing.

In the event that an arbitrator on the panel becomes perpetually unavailable, the parties agree they will replace the arbitrator with another mutually acceptable arbitrator.

The Union and the Employer shall share the fees and expenses of the arbitrator equally.

Section 5.7 Arbitration Hearing: Every attempt will be made to schedule arbitration hearings within six (6) months of the date the arbitrator is contacted by the Union to schedule the hearing, with priority given to discharge grievances.

The Employer and Union will cooperate to ensure the right of either party to adequately prepare or present its position at the arbitration hearing. However, any witnesses who may be requested by either party shall be scheduled to testify so that lost time from work will be minimized. Upon completion of testimony (direct or rebuttal if required), the witness shall be excused to return to work. Not more than one steward shall be excused from work to attend the hearing other than to serve as a witness. The Employer will not pay lost time for employees involved in the hearing other than for one steward, any witnesses and the grievant(s).

Section 5.8 Time Limitations: The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Union, the grievance shall be considered settled. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, including arbitration, upon notice from the Union. The time limits established herein may be extended by mutual agreement in writing. In computing working days under the grievance procedure, Saturday, Sunday and holidays shall be excluded.

Section 5.9 Lost Time: The Employer agrees to pay for all reasonable lost time by an employee during her/his regular working hours while pursuing the grievance procedure, provided however, the Employer reserves the right to revoke this benefit if this privilege is being abused. Revocation shall not occur, however, until the Employer has notified the Union in writing of the abuse, and after discussion between the Union and the Employer, the abuse has not been corrected within a designated period of time. In order to enable the Employer to organize patient service and work on each shift, no employee or union steward shall be permitted to leave her/his work during the first hour of each shift for grievance purposes, except in situations of mutually agreeable emergency, or an employee discharge occurring within that period of time.

Section 5.10 Arbitrator's Jurisdiction: The arbitrator's jurisdiction shall be limited to the application and interpretation of this Agreement as written, he/she shall be governed wholly by the express terms of this Agreement. The arbitrator shall have no power or authority to amend, alter or modify this Agreement either directly or indirectly. The arbitrator shall have no authority to rule on the Employer's reserved rights not otherwise abrogated by the express terms of this Agreement. If the issue of procedural arbitrability is raised, the arbitrator shall first decide that question before he/she shall be permitted to decide the merits of the grievance. The Union acknowledges that the arbitrator is limited by the express provisions of Managements Reserved Rights, Section 3.1(a) and that any grievance involving such exclusive rights shall not be arbitrable. The award of the arbitrator shall not be retroactive any earlier than the time the grievance could be presented and in no event prior to seventy-five (75) calendar days from the date the grievance was submitted in writing. The arbitrator's decision shall be final and binding on the Employer, Union and employees in the bargaining unit, provided however, either party shall have the right to challenge the arbitrator's decision or procedure in the courts, if the arbitrator has exceeded his/her jurisdiction as provided herein. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment compensation or compensation for personal services that the employee may have received from any source during the period in question.

Article 6: NO STRIKE - NO LOCKOUT

Section 6.1 Prohibition:

- (a) It is recognized that the needs for care and proper treatment of patients in the Medical Center are of paramount importance, and that there should be no interference in such care and treatment. Adequate procedures having been provided for the equitable settlement of grievances arising under this Agreement, the Union agrees that during the term of this Agreement, there will be no suspension of work through strikes, picketing, slow-down or refusal to handle or take care of a patient or other activities that may disturb or interfere with the welfare of patients.
- (b) The Employer agrees that during the term of this Agreement, it will not lock out employees.

Section 6.2 Penalty: Any employee who violates the provisions of Section 6.1(a) shall be subject to discipline by the Employer, up to and including discharge. Any appeal or review of any discipline imposed for a violation of Section 6.1(a) shall be limited to the question of whether the employee or employees did in fact engage in any activity prohibited by Section 6.1(a), unless the appeal or review establishes that the employee did not violate the provisions of Section 6.1(a), in which case, any disciplinary action imposed may also be reviewed.

Article 7: LEAVES OF ABSENCE

Section 7.1 Eligibility, General Conditions for Leaves of Absences, and Seniority:

- (a) Union Seniority shall continue on all approved leaves of absence unless otherwise specifically provided in one of the leaves of absence sections of this Agreement. An employee shall receive all benefits while on paid sick leave, personal days, vacation, and union leave. Benefits such as vacation, sick leave and insurance do not accrue or continue during any other leave of absence unless otherwise specifically provided in one of the leaves of absence sections. Insurances shall continue for an employee on an unpaid leave of absence less than thirty (30) days. For an unpaid leave of longer than thirty (30) days, insurances shall continue until the end of the month following the thirtieth (30th) day.

Section 7.2 Personal Leaves of Absence: Employees may be granted a personal leave of absence at the discretion of the Employer. A request for personal leave of absence shall be in writing on the required form and signed by the employee. Whenever possible, a request for personal leave should be filed at least thirty (30) days before such leave is desired. Personal leaves of absence shall not ordinarily exceed thirty (30) days. However, for unusual circumstances, additional time may be considered. If an employee does not return to work at the end of an approved leave of absence, the employee shall be considered as having voluntarily quit, unless contrary arrangements had been made with the Employer.

A Personal Leave of Absence is for personal reasons of a serious nature. Serious nature is defined as situations which require the employee to be away from work for reasons relating to a matter of importance which does not qualify under another leave of absence Article.

Section 7.3 Educational Leave: Employees may be granted an educational leave of absence without pay at the discretion of the Employer up to a maximum of one year to pursue a full-time educational program, provided the educational program is work-related or related to a position in the health care field employed by the Employer. This leave may be extended for

a like period by the Employer.

It will be at the discretion of the Employer to hold the employee's position during the leave. If the employee's position will not be held, the employee will be notified at the time the leave is granted. If the position is not held, the employee may apply for vacant positions upon return.

Section 7.4 Union Leave of Absence: The Employer agrees to grant a leave of absence without pay to two employees selected by the Union to attend an official Union convention. Additional employees may make a request for such leave of absence, but whether such request shall be granted shall depend upon whether, in the Employer's judgment, such leave does not unreasonably interfere with the normal operations of the Employer.

Section 7.5 Extended Union Leave: The Employer shall grant an unpaid leave of absence for up to sixty (60) days for one (1) employee from any bargaining unit at any time in order that the employee may serve the Union as a paid Officer or Service Representative. Health insurance shall be continued during this sixty (60) day period provided the employee continues to make the employee contribution. Any individual employee would only be eligible for one such leave during the life of the Agreement. Upon completion of the leave, the employee shall be returned to her/his status, shift, department, and classification without loss of seniority. Upon request for a leave longer than sixty (60) days, an employee shall be granted an unpaid leave up to one (1) year but, upon return, shall be returned to her/his classification, contingent upon the availability of a position.

Section 7.6 Jury Duty: An employee shall be granted a leave of absence when chosen for jury duty for the period served. An employee with seniority will be paid the difference between the amount (s)he receives from the court and her/his base hourly straight-time earnings for regularly scheduled hours of work lost while serving, not to exceed a period of sixty (60) days or the length of the trial if on a sitting jury. The difference in earnings shall be paid even when part or all of jury duty falls outside of hours regularly scheduled for the day. When an employee serves more than half of their regularly scheduled shift on jury duty in a day, the employee shall be paid the difference in earnings for all the hours of her/his regularly scheduled shift and the employee shall not be required to work any hours. If the employee is excused from jury duty after service of less than half of their regularly scheduled shift, (s)he shall immediately call the supervisor and may be required to return to work. If the employee is not required to return, the employee shall be paid the differential benefit for the day. An employee on jury duty has no right or obligation to work overtime or extra hours on days in which (s)he serves on jury duty. Employees on an initial probation period will not receive compensation during jury duty but will return to their classification, department and status upon completion of jury duty. In order to receive this benefit, the employee must submit proof of jury service and notice to his immediate supervisor promptly upon notice from the court.

If an afternoon shift employee is called for jury duty, he/she will be expected to call the jury board by 5:30 pm or the time required by the court, if different, the night before he/she is to report for jury duty. If an afternoon shift employee reports for jury duty for four (4) or more hours the employee shall not be required to report for his/her shift that day and shall be paid the differential benefit for the day.

If a night shift employee is called for jury duty, he/she will be expected to call the jury board by 5:30 pm or the time required by the court, if different, the night before he/she is to report for jury duty. If he/she is required to report for jury duty the next morning, he/she will be taken off the schedule for the night before the scheduled jury duty, and compensated for any scheduled hours for that shift. If the night shift employee reports for jury duty for more than half the scheduled day, and provides written documentation to that effect, the employee will be granted off for that night, if scheduled, and compensated.

Section 7.7 Bereavement Leave:

- (a) For the death of a spouse, significant other, parent, guardian or child the employee shall receive approval for a thirty (30) day personal leave of absence with any scheduled hours in the first seven (7) calendar days of the leave off, paid as bereavement. The employee may elect to take the remainder of the personal leave of absence utilizing his/her available PTO. The employee is not required to take the entire personal leave of absence. However, if the burial or final service is not held within the next seven (7) calendar days then the employee shall be allowed to defer the days or any portion not used in the initial seven (7) day period for the burial or final service.

Significant Other shall minimally be defined to include persons with whom the employee has lived in a relationship analogous to marriage for at least two (2) years immediately prior to the death.

- (b) For the death of a brother, sister, grandchild, half-brother or half-sister, step parent or step child the employee shall receive any scheduled hours off with pay within the next seven (7) calendar days. If the burial or final service is not held within the next seven (7) calendar days then the employee shall be allowed to defer the days or any portion not used in the initial seven (7) day period for the burial or final service.

- (c) For the death of a grandparent, current father- or mother-in-law, current son- or daughter-in-law, the employee shall receive any scheduled hours from the time of death to the burial (or final funeral services) off with pay except that the time off shall not exceed three (3) shifts the employee was scheduled to work.
- (d) The death of a parent of a minor child in the employee's legal custody shall be considered covered by this Article.

(a) Extended Medical Leave of Absence:

An employee who has exhausted his/her rights under the Family and Medical Leave provision of this contract shall be allowed to take an extended medical leave of absence for his/her own serious health condition, not to exceed one (1) year from the first date of absence including any time covered as FML. The employer shall continue health insurance for an employee on medical leave of absence until the end of the month following six (6) months of leave whether paid or unpaid.

Return from Extended Medical Leave of Absence:

When an employee returns from an extended medical leave in excess of twelve (12) weeks but less than one (1) year the Employer will make every effort to return him/her to work as quickly as possible provided that the work is within his/her physical restrictions and the position to which he/she is returned is vacant and the employee meets the minimum qualifications of the job. If the employee is qualified to fill a vacant position, the employee will be awarded the position. The definition of qualified is as defined under the Layoff/Recall Article of this agreement.

(b) Medical Leave of Absence:

A bargaining unit employee with seniority who is not eligible for rights under the FMLA shall be eligible for a medical leave for his/her own serious health condition up to the employee's length of service not to exceed (1) year. The employer shall continue health insurance for an employee on medical leave of absence up to the end of the month following six (6) months of leave whether paid or unpaid.

Return from Medical Leave of Absence:

When an employee returns from medical leave, the Employer will make every effort to return him/her to work as quickly as possible provided that the work is within his/her physical restrictions and the position to which he/she is returned is vacant and the employee meets the minimum qualifications of the job. If the employee is qualified to fill a vacant position, the employee will be awarded the position. The definition of qualified is as defined under the Layoff/Recall Article of this agreement.

(c) Workers' Compensation Leave of Absence: Employees shall be entitled to an indefinite leave for injuries that are

Under State of Michigan workers' compensation law, the employee is not compensated for time lost until the eighth (8th) consecutive day of disability, unless the employee is continuously disabled and off of work for fourteen (14) consecutive days, then workers' compensation will pay retroactive to the first day.

Employees can use banked time off to cover the first seven (7) days. If the employee is continuously disabled in excess of fourteen (14) consecutive days, where workers' compensation would pay for the entire disability, the employee will be allowed to reimburse the institution for the first seven (7) days of pay received through banked time off and the hours will be reinstated to their time off accruals. The employee must reimburse the Medical Center before the banked time is returned to their bank.

Return from Workers' Compensation Leave of Absence: FMLA shall not be applied to Workers' Compensation leave. An employee on a Workers' Compensation leave will be returned to the same or equivalent position within the first twelve (12) weeks. In excess of twelve (12) weeks, the Employer will make every effort to return employees to work as quickly as possible provided that the work is within their physical restrictions and the position to which they are returned is vacant and the employee meets the minimum qualifications of the job. If a Workers' Compensation employee is qualified to fill a vacant position, the position will not be posted but will be awarded to the returning employee.

Section 7.9: Available PTO must be used for all Leaves of Absences unless otherwise approved as unpaid by the Employer (e.g. Family Medical Leave for employee whose PTO bank is exhausted) or unless otherwise allowed by contract (e.g. LCDO's). Section 12.2 Job Descriptions: Each employee shall, upon request, be given a job description which shall list the substantial responsibilities of the job. - (c) Management employees include, but are not limited to, Patient Care Managers, Assistant Patient Care Managers, Coordinators, Charge Nurses, Supervisors, Managers, and Directors.

Article 15: SUBCONTRACTING

Section 15.1 Subcontracting:

- (a) The Employer reserves the right to subcontract work normally performed by bargaining unit employees. However, if such subcontracting causes a layoff of bargaining unit employees, the Employer agrees to first discuss the decision and impact of the subcontracting and layoff with the Union and give sixty (60) days advance notice, or in lieu thereof, wages the laid-off employees would have earned during the sixty (60) day notice period but for the layoff.

The Union will be given at least a sixty (60) day period after that initial discussion to work with the Employer to illustrate that the work can be performed by bargaining unit employees within the employer's identified parameters. The Employer shall not give the sixty (60) day advance layoff notice, or in lieu thereof, wages the laid off employees would have earned but for the layoff, until the end of the initial sixty (60) day discussion period.
- (c) The Employer will not subcontract in order to discriminate against the Union or employees covered by this agreement because of their union affiliation.
- (d) If the decision to subcontract results in the reduction of bargaining unit positions, the Employer will first reduce positions through attrition and reassignment of employees to bargaining unit vacancies which the employee is

qualified to fill or could be qualified to fill within a reasonable amount of training and orientation. The Employer will attempt to maintain an employee's shift, status and rate of pay. The parties agree to use either the Federal Mediation and Conciliation Services (FMCS) or the Michigan Employment Relations Commission (MERC) mediators. The cost of the Mediator shall be split 50/50 between the parties. The parties will be responsible for the cost of their own representatives. The Employer will pay for one grievant to attend the hearing, if that grievant is a current employee, at his/her current hourly rate of pay. The Employer and Union will cooperate to ensure the right of either party to adequately prepare or present its position at the mediation hearing. However, any witnesses who may be requested by either party shall be scheduled to testify so that lost time from work will be minimized. Upon completion of testimony (direct or rebuttal if required), the witness shall be excused to return to work. Not more than one steward shall be excused from work to attend the hearing other than to serve as a witness. The Employer will not pay lost time for employees involved in the hearing other than for one steward, any witnesses and the grievant(s).

The employee and the Employer may have representation at mediation. Section 22.5 Seniority Tie-Breakers: Where two or more employees have identical Union seniority dates, seniority rights shall be determined based on Ingham seniority. If the Ingham seniority date is identical, seniority rights shall be determined on the basis of the sum of the last four (4) digits of each employee's social security number with preference to the highest number. If the last four (4) digits tie, then the last five (5) will be used.

Article 23: JOB POSTING AND BIDDING

The following procedure(s) will be used when regular vacancies in the bargaining unit are to be filled.

Section 23.1 Unit Postings:

- (a) Prior to posting a regular vacancy in the bargaining unit in the MGL-Wide Posting, a regular vacancy shall be posted using the Unit Posting Procedure below, except for those in the listed classifications. Vacancies shall be posted at an identified location for seven (7) consecutive calendar days.

Classifications that cannot be posted using the Unit Posting Procedure:

- 1) Nursing Assistant
- 2) Unit Assistant
- 3) Unit Coordinator
- 4) Secretary
- 5) Receptionist
- 6) File Clerk

- (b) Unit Posting Procedure: If there are one or more bargaining unit employees in the same unit and classification, the vacancy shall be announced within the unit to provide qualified bargaining unit employees in the unit and classification an opportunity to bid on the vacancy prior to it being posted MGL-Wide.
- (c) Unit Bidding Procedure: A bargaining unit employee interested in the position shall indicate his/her desire to be considered by signing and dating the posting. The Employer is not obligated to contact bargaining unit employees who are on a paid or unpaid leave. However, if a bargaining unit employee on leave indicates in writing (no earlier than one week prior to the leave and no later than the end of the posting period) his/her interest in a shift or hours change, and such a position opens while that employee is on leave, her/his bid will be considered for relevant vacancies that open during his/her leave. An employee on LOA may be denied a position, even if they are considered the most qualified, if they cannot start the position within thirty (30) calendar days after being offered the position.
- (d) Awarding Unit Postings: The most senior qualified bargaining unit employee within the unit and classification, that applies during the posting period shall be awarded the position.

When there are one or more qualified candidates, the position shall be awarded within thirty-one (31) calendar days from the start of the first posting or within fourteen (14) calendar days after the end of the last posting period (whichever is longer), and transfers shall commence as soon as possible, provided however, if the award of such position would create a vacancy which could not be readily filled by a qualified employee, the award may be delayed to accommodate this problem, but in no event more than thirty (30) calendar days after the awarding of the position. If the awarding of the position is delayed for more than thirty (30) calendar days, and if the position would result in an increase in pay, the employee shall receive the higher rate commencing on the 31st day and thereafter until transferred to the awarded position.

Section 23.2 Adding hours to an Existing Position: The MGL-Wide Posting process shall be used for adding hours to an existing position. An employee can drop existing hours upon mutual agreement between the employee and the manager. The Unit bidding process shall be used if a manager decides to add hours to an existing classification within a unit. For example, if an employee drops an 8 hour shift, that shift would be put up for bid using the Unit Bidding Procedure. At the manager's discretion, a series of shifts could be filled by either one employee or split among several employee with the

same unit and classification and those options would be noted on the posting. The Employer is not obligated to award hours to an applicant from a different unit or classification.

Section 23.3 MGL-Wide Postings:

- (a) MGL-Wide Posting Procedure: Positions that are not or cannot be filled through the Unit Posting shall be posted MGL-wide. Vacancies in the bargaining unit which are posted MGL-wide shall be posted on the MGL electronic posting board. The posting shall list the job classification, pay level, qualifications required as stated on the job description, shift assignment, and department. The union will receive a copy of all MGL job postings on a weekly basis.
- (b) MGL-Wide Bidding Procedure: Employees interested in the posted position shall indicate interest by submitting an application on the MGL electronic posting board for the posted position during the posting period.
- (c) Awarding MGL-Wide Postings: Applicants shall be considered within the preference groups listed below. If there is no qualified applicant in a preference group the Employer may move to the next group. Such positions shall be awarded to the most qualified applicant in the preference group. If two or more employees in the same preference group are considered to be relatively equally qualified, then the applicant with the greater seniority shall be awarded the position.

A list of all qualified applicants who apply during the bidding period with name and seniority date will be provided to the hiring supervisor. The hiring supervisor shall interview at least the top three (3) most senior qualified applicants.

The supervisor may interview and consider any qualified applicants in addition to the three (3) most senior qualified applicants at his/her discretion, but the three (3) most senior must be interviewed.

When there are one or more qualified candidates, the position shall be awarded within thirty-one (31) calendar days from the start of the first posting or within fourteen (14) calendar days after the end of the last posting period (whichever is longer), and transfers shall commence as soon as possible, provided however, if the award of such position would create a vacancy which could not be readily filled by a qualified employee, the award may be delayed to accommodate this problem, but in no event more than thirty (30) calendar days after the awarding of the position. If the awarding of the position is delayed more than thirty (30) calendar days, and if the position would result in an increase in pay, the employee shall receive the higher rate commencing on the 31st day and thereafter until transferred to the awarded position.

Employees who bid on a position and are on a leave of absence and who otherwise meet the qualifications will be included on the list of all qualified applicants. An employee on LOA may be denied a position, even if they are considered the most qualified, if they cannot start the position within thirty (30) calendar days after being offered the position.

Employees (including per diems) filling temporary vacancies or temporarily working out of their current classification shall not be given credit for ability and experience gained in the temporary position towards job qualifications if the employee later bids on the same classification or position on a permanent basis. However, nothing herein shall be construed to prohibit the Employer for giving such employee credit for his/her prior work record and experience, as well as training and ability which the employee has gained at other than the temporary position.

Such employee shall not be granted severance, bumping or recall rights under this contract.

If a concurrent layoff occurs within multiple classifications, the most senior employee will be given first choice of positions based on seniority when the position is within the same pay grade or below and will not change their status.
- (i) An employee may bump into only one position (e.g. cannot bump two part-time positions to make full-time position).

Each pay grade has steps that are calculated at three (3%) percent of the minimum of each pay grade. Employees shall receive increases as identified below:

MGL will cover the exam cost (currently \$75) for all employees choosing to take the certification exam. MGL will facilitate an exam study course and will arrange independent proctoring of the exam a minimum of two times per year at MGL.

Article 26: LOW CENSUS DAYS OFF

Section 26.1. In lieu of using the layoff procedure set forth in this Agreement, the Hospital has the right, when there is more staff than needed on a particular day because of low census, to reduce the number of employees working or scheduled to work on each shift. This shall be referred to as a low census day off (LCDO).

An employee may request to take a particular day and shift off if staffing and census permit. This shall also be referred to as an LCDO.

Section 26.2. If a Manager decides to authorize an LCDO, then the following order priority shall be followed:

- (a) Volunteers in that Department shall be sought first (VLCDO). If there are more than enough volunteers, requests shall be granted based upon the rules established by that Department.
- (b) No employee shall be required to take an LCDO if any employee is working overtime in that classification in the Department and on that shift. The overtime may be cancelled or the employee getting overtime LCDO'd.
- (c) No employee shall be required to take an LCDO if another employee is working that day as extra time above her/his schedule. The employee working the day as extra time may be LCDO'd.
- (d) No employee shall be required to take an LCDO if a per diem, or any temporary or agency personnel are working in that Department and on that shift.
- (e) If enough employees do not volunteer and if the Manager still wants to reduce staffing on that shift in that Department, the LCDO shall be given to the low senior employee in the Department in the classification on that shift.

As an alternative, the LCDO shall be rotated among qualified staff in the affected classifications and department. This can only occur if the department has, by majority employee vote, conducted by the Union, decided to use rotation instead of seniority. The method of rotation must be decided at the time of the vote and will be in effect for the life of this Agreement. The Employer must be notified by the Union that a particular department is using the rotation method voted in by that department's employees.

For LCDO's, some departments are split into their individual units, (see appendix A in back of contract).

Section 26.3. LCDO shall not be used in lieu of discipline or indefinite layoff.

Section 26.4. An employee on LCDO may use PTO or take the day unpaid.

Section 26.5. An employee who volunteers to take a LCDO may be required to be on-call during part or all of her/his shift time.

Section 26.6. An employee required to take an LCDO shall not be required to be on-call.

Section 26.7. An LCDO will receive employee on-call pay for all hours on-call. The number of on-call hours required will be determined prior to accepting the LCDO. If called in during the employees usual shift time, the employee will be paid at straight time for a minimum of four (4) hours.

Section 26.8. If the Manager intends to pull an employee out of the Department in the event no one volunteers for the LCDO, employees should be informed at the time the LCDO is offered.

Section 26.9. If an employee required to take an LCDO requests to be reassigned to another Department where a per diem is working in her/his classification and on her/his shift, the Employer will accommodate the request provided the employee agrees to work the entire shift and it does not require additional overtime.

Section 26.10. An employee who reports for work and who volunteers for or is required to take an LCDO shall work and receive a minimum of two (2) hours pay for reporting.

Article 27: DISCIPLINE

Section 27.1 Discipline:

- (a) The Employer subscribes to the policy of corrective discipline, but severe discipline, including discharge, may be appropriate for infractions or conduct of a serious nature. All discharges or disciplinary suspensions without pay shall be for just cause. Upon being informed in advance that discipline is contemplated or is the reason for a meeting with Employer representatives, upon request by the employee, a Union steward shall be present for such discussion.
